

Trinity Methodist Church Woking Weekly News 1st September 2021 01/52

Message from the Leadership Team

I receive a regular News Letter from Tearfund and this week there were many references to disaster around the world. The earthquake in Haiti, the Taliban taking over in Afghanistan and the many thousands wanting to flee, the hurricane that struck New Orleans, and the point Tearfund was making was that in every such event, they see communities working together to try and make things better for each other.

Fortunately for us, we only see these events unwinding through the television screen, rarely do we feel the impact of disaster personally.

We are of course working with the local community of Woking through The Foundry to make things better for some residents, perhaps the elderly or infirm, or children needing extra help with learning, so we are involved with the local community but can we do more to help those in trouble overseas?

I am sure that many of us regularly remember these situations in our prayers, asking God to help and to lead in any way only He can, but could we do more?

On 20th November, we are hosting a fundraising Tearfund Big Quiz Night and hope to have many teams taking part. Our tenants and other partners will be invited to enter a team, but so will everyone at Trinity so please mark the date on your calendar.

John Nelson

News from the Church Family

The funeral service for Janet Atterbury's husband Ted will be on Wednesday 15th September at 11am. Janet has asked that we remember her and the family at this time in our prayers - the prayer support of the church family would be a great help on this difficult day.

#Prayer of the day:

Give us grace we pray, to follow closely in the way of your Son by offering a place of belonging at your table to immigrants, to people who are homeless, to people seeking asylum and to all who find themselves on the margins...
